

Information Sheet

We would like to make all parents and guardians aware of the following points relating to our crafty sessions.

- We might use some messy resources that can get onto clothes despite using aprons etc...
- We may use sharp tools so all children will be given guidance and instructions to keep them safe however 'ouch' may be heard in various levels of decibels as they prick their fingers...
- All children will be expected to have fun and enjoy themselves and hopefully work with others where necessary.
- Spaces must be paid for at the time of booking – booking is essential to guarantee your space.

Please complete the form below with contact details

Name of Child.....
